

MATHISON PROPERTY TRAILS

MATHISON TRAIL- a 998 m slightly hilly, multi-use trail through mixed hardwood forests with a wetland and hydro line corridor crossing.

NEWTON'S WAY- a 633 m slightly hilly, multi-use trail through a mixed hardwood forest until it passes a small dam, where it then turns into a flat, gravel road traveling alongside a naturally regenerated old gravel pit.

WETLAND RIDGE- a 398 m walking trail with some moderate hills running alongside the wetlands edge with several scenic panoramic views of the wetlands.

ANDREW'S PASS- 105 m

WILLIAM'S PASS- 78 m

JOHN'S PASS- 37 m

A set of 3 short, hilly, walking trails connecting the Newton's Way and Wetland Ridge trails by passing through the site of a naturally restored old gravel pit.

SETTLERS PATH- a 78 m flat, walking trail running alongside the wetland until it leaves the property.

MARSH OUTLOOK- a 52 m walking trail leading down a steep hill to a lookout from the wetland's edge.

JAMBOREE PATH- a 169 m slightly hilly, walking trail leading through a mixed hardwood forest.

FLEMING OVERLOOK- A 115 m hilly, walking trail passing through the hydro line corridor to a lookout over the wetland.
